## About This Game

*Oh No! Ninjas!* is a fast and fun word typing game with a ninja twist. Ninjas will never learn their lesson, which in this case is to not get involved in word games.

Title: Oh No! Ninjas!

Genre: Casual, Indie

Developer:

Blot Interactive

Publisher:

Blot Interactive

Release Date: 4 Jan, 2018

English,French

oh no ninjas

Addictive. Largely reccomend.. This is a fun way to improve your Words Per Minute (WPM) typing skills. I like the cartoonish graphics, Japanese-themed music, and silly comments from the sensei. Check out my gameplay:
